NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

ROBT. N. CAMPBELL,
Acting Division Administrator.

WASHINGTON, D. C.,
March 7, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,
The White House.

SIR: An application has been duly made pursuant to and in full compliance with the provisions of the National Industrial Recovery Act, for amendment to the Code of Fair Competition for the Cordage and Twine Industry, submitted by the Code Authority for said Industry.

The purpose of the amendment is:

1. To delete Schedule "A" in its entirety from the Code of Fair Competition for the Cordage and Twine Industry.

The effects of the deletion of said Schedule "A" are:

1. To eliminate the fair trade practice provisions contained in Schedule "A" in order that the members of the Cordage and Wrapping Twine Industry Division may more equitably meet the competition offered by the Philippine cordage and twine importers and the competition offered by the prison labor made cordage and twine.

2. To eliminate fair trade practices which have been found to be impractical.

FINDINGS

The Assistant Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

The Board finds that:

(a) The amendment to said Code and the Code as amended are well designated to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof and will provide for the general welfare by promoting the organization of Industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of the industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (a) of Section 3, sub-section (a) of Section 7, and sub-section (b) of Section 10 thereof.

(c) The Code empowers the Code Authority to present the afore-said amendment on behalf of the industry as a whole.

(d) The amendment and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(e) The amendment and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(f) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, therefore, said amendment has been approved.
For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.
